**Missouri here we come! Welcome aboard another great motor-coach destination created exclusively for Peoples State Bank.**

**DAY 1** Our journey finds us heading to St Louis, Missouri for our first overnight stay at the Drury Inn & Suites at Union Station. But before we check into the hotel we make a stop at the Anheuser Busch Brewers for a tour and tasting. There is no other brewery experience in the world quite like an Anheuser-Busch brewery tour. As the largest and oldest brewery site, St. Louis gives you a first-hand look into the heritage and timeless tradition Anheuser-Busch employs to brew beer.

**DAY 2** After breakfast at the hotel we start our day with a stop at the New Gateway Museum. Featuring six themed exhibit areas, this innovative and interactive museum celebrates America's pioneering spirit. We will have the opportunity to ride to the top of the Gateway Arch which. Next we depart St Louis and head for Springfield where we visit the Fantastic Caverns, America's Ride-Thru Cave. There are only four of its' kind in the entire world, and only one in North America. Dinner tonight is included at Lambert's Cafe—Home of the Throwned Rolls. After dinner we continue the short distance to Branson MO where we will call the Lodge of the Ozarks home for the next 2 nights.

**DAY 3** A full day of live shows in Branson. First we'll take our seats at the All Hands on Decks Show. Late afternoon finds us tightening our bootstraps for a powerful performance featuring 32 magnificent horses and a cast of top-notch trick riders at the Dolly Parton Stampede., a phenomenal music production to view all while you enjoy a mouthwatering four course family feast! Tonight we enjoy The Dutton's who are international touring and recording artists who perform bluegrass to classical music and everything in between.

**DAY 4** We head for Kansas City. Our afternoon stop will be made at the Arabia Steamboat Museum. Here you will view over 200 Tons of Treasures found aboard this steamboat. Overnight will be at The Drury Inn in West Des Moines, IA.

**DAY 5** We travel to Winterset, IA, the county seat of Madison County. Madison County is the Covered Bridge Capital of Iowa, with the largest group of covered bridges that exists in one area in the western half of the Mississippi Valley. This is the place that inspired the movie "The Bridges of Madison County", one of the greatest love stories of our time. A little shopping after an included lunch on the square (quilters won't want to miss Piece Works Quilt Shop or Ben Franklins!), and John Wayne's Birthplace & Museum. Here you'll enjoy a 10 minute documentary on the actor, and a tour of his birthplace home and museum. From here we continue our journey home with time to reflect and talk with our friends about the great time we had in" Missouri the Show Me State".
