Going somewhere warm for the winter?

If so, have you called us to update us on your current mailing address? Changing your address at the post office is sufficient for the majority of your mail, but not for all of it. For example, we do not forward your bank statement based upon the forwarding information provided to the post office. You must provide your mailing address directly to us. To request an address change, please visit your local Peoples State Bank office or call our toll free telephone number 1-800-280-1074 and ask for the Operations Dept. Let us know when you are leaving your permanent address and when you are returning. Also, keep in mind that we offer Online Banking with Electronic Statements, which eliminates the paper statement. You can access your statement at your convenience without having to wait for it to arrive in the mail. It's simple, secure and convenient! Visit our website www.peoplesfinancial.com and sign up today!

Important Reminder: *Please remember to use blue or black ink when writing out a check to ensure it processes correctly. Checks written with neon or light colored ink will not be read by our machines.*
